Which of the following are privileged under the California Evidence Code?

(a) Father asks daughter, a third year law student, what he should do about his recent arrest for possession of marijuana.

(b) Client asks lawyer whether the lawyer thinks now is a good time to get out of the stock market.

(c) Mother calls lawyer on the telephone to ask if he will represent her son, wanted for murder, who is presently a fugitive.

(d) In the presence of a police officer, client tells lawyer: "I did it and I'm glad, glad, glad."

(e) During the course of an interview, the lawyer notices that his client is drunk.

(f) In a trial of a lawyer for suborning perjury, the lawyer objects when former client is called to testify that the lawyer told him that to win the case they would have to "hire a few witnesses."

(g) In a criminal case, a police officer is called to testify that he tapped the client's phone and heard the client make incriminating statements in a conversation with his lawyer.

(h) In a criminal case, a bartender is called to testify that the defendant told him: "My lawyer told me to deep six the gun."

(i) Prosecutor offers in evidence a copy of a newspaper story recounting an interview by the reporter with a secretary in the lawyer's office in which the secretary said her boss told her that the defendant was guilty.
