   - Interesting (also amazing given some of the material)
   - Witty, friendly

10. This instructor's greatest areas of weakness are:
   - I would sometimes have liked personal political opinion (vs. "subject matter") to be labelled as such. And for opposing political opinions, as much as they came up, to be given a bit more equal time. It bothered me—but overall, it was a very small flaw in an otherwise excellent course, teacher, and person. I respect him very much for his teaching and personal abilities—and the manner in which they were communicated to us.

   Make what I consider a very dry subject and makes it interesting and
   even enjoyable. Awesome instructor!

10. This instructor's greatest areas of weakness are
    Perhaps a little scattered

    No times, but this seems to be due to problems outside the
    law school - specifically family illness. Doesn't detract, however.
